The Honorable William P. Clark
Assistant to the President
for National Security Affairs
The White House

Dear Bill,

I am sending you personally this copy of "Prospects for Morocco," an Intelligence Community production which focuses on King Hassan and his regime. Although published the morning of Monday, 17 May, I wish to ensure it reaches you prior to the King's upcoming visit. I believe the study projects a particularly balanced view of internal and regional issues at stake for us in Morocco.
